Costume Contest:

This has been a great way to dress up the slopes, increase the fun and draw attention to our event! The team deemed to be best dressed by a panel of OCSO judges will receive special rewards and recognition at the event. The one-day only competition takes place on Sunday.

Tips for Success:

1. Attire must not impede your ability to ski.
2. Team members must wear their costumes through their last qualifying run on Sunday.
3. Show style, show grace, show good taste.
